WHY MYTRAVELOGUE

Our bespoke services will meet the needs of your production and you can consider us to be an extension of your production department. Our team will deliver and manage your tailored requirements, you'll only know once you try us or hear from our clients.

- **Personal** - A dedicated account manager and team at your disposal to assist you throughout your journey who will listen to exactly what you want and always give the best possible solution. We know how important confidentiality is and we will exercise discretion at all times.
- **Reliable** - Production schedules can be very tight. They can also be very fluid hence we are innovative and proactive - able to respond quickly and efficiently whatever happens. We have built our reputation on the efficiency and reliability of our services. If we say we can do something, it will be done.
- **Cost Conscious** - You want to make sure that you get the most from your production budget and that means ensuring you receive the best value for your travel and hospitality spend. At the same time you wouldn't want to compromise on quality? We know that you need the best at the best price. We call this being 'cost conscious' and we practice it religiously.

“Ashwin and team were great in planning and booking my trip to Bali
which made it painless and easy. Commendable follow ups and
arrangements along with prompt responses which helped us
navigate during the tsunami scare in Bali at the time.
Thanks to My Travelogue and a pat on the back for
overall excellence.”

OUR TEAM

Headed by Ashwin Kardekar, a hospitality graduate from Pune University who has made a name for himself in this industry with over 10 years of experience has built the team at MyTravelogue from humble beginnings on the founding pillars of Trust and Enthusiasm, Ashwin always reminds his team to go the extra mile for his guests and themselves.

Along with the excellence of his team, MyTravelogue has successfully managed to establish relationships with prestigious brands in the airline, hotels, destination management and logistics industry - ensuring its guests get the best.

With our excellence, whether it's a VIP client going on a discreet vacation or for a large movie production, we're known as India's "go-to-travel agency".

FAQS

What is your fee?

- We do not operate under a standard fee structure. Instead, we tailor our services to fit each client's unique requests and financial parameters, so every travel policy is different and determined by these variables.

Why use a travel management company?

- Our dedicated team of travel experts not only save you time from scouring and comparing a dozen different websites and money by utilizing our extensive network of preferred partnerships, but leave you at ease knowing you're in good hands because everything will be done correctly the first time.

Do you provide on-site assistance?

- Yes we have a staff of outdoor experts who consistently provide the most professional and satisfactory assistance for key on-site support areas in the industry. The number of staff recommended for the event and surrounding dates will be outlined in our final agreement. Staff accommodations must be requested during the hotel contract negotiations. All travel expenses, including accommodation, will be outlined in the final program budget.
